Kolar (Female dispensary) and Bowringpet, the District Board and the municipalities Concerned being permitted to pay the grants of Contributions due by them in two years Viz. 1909 & 1910, a loan to the Board being sanctd for the purpose.

It is understood that proposals necessary on account of D. F & Mal Contributions towards the Constn of quarters for the medical Subordinates at Kolar and Bowringpet has been included in the respective Budgets. Thus there is no necessity to sanction any loan to the Local Boards Concerned. After the Budget estimates of the Boards have been Sanctioned & orders thereon issued, the President may be informed accordingly.

Chintamani is not one of the places included in the Senior Surgeon's list of places in which quarters for medical Subordinates are immediately necessary. It is however included in the list of places in which quarters (for med. Subordinates) are to be provided sooner or later. (Vide list in med file 18-07 Pgs 5,6 ... by B. Ry od)

The President seems to have made proposals for quarters at Chintamani under a mistaken impression that a part attend Cantt quarters for med: Subordinates will be taking Head Quarters.

2 The L. B & Mal Secretaries may be asked to verify the note above re: proposals as Account of quarters for med: Subordinates at Kolar & Bowringpet and to note if the

To

Secretary to the Government of H.H. the Maharaja of Mysore, General and Revenue Departments.

Sir,

With reference to your Office memorandum No.8403-10/Med.71-08-20 dated 27th February 1909 inviting attention to Government Proceedings No.1327-341 Med.18-07-08 dated 6th August 1908 in the matter of providing funds for the construction of the quarters to the Hospital Assistants and Midwives in the Taluk Head quarters towns of this District, I have the honor to state that owing to want of funds in the several Municipalities of the District except Chintamani, it was not possible to make any provision in the Budget Estimates for the year 1909-10. Even the District Board was unable to provide funds for the same reason.

In the case of Chintamani Municipality however provision of Rs.1,000/- has been made in the Budget and an equal sum in the District Funds Budget also, for the construction of quarters referred to above.

I have the honor to be,

Sir,

Your most obedient servant,

of Mysore, General & Revenue Departments.

Sir,

With reference to your letter No.1327-34/Med.18-07-28 dated the 6th August 1908 and in continuation of my letter No.994 dated the 2nd December 1908 in re the accommodation to the Hospital Assistants and Midwives attached to the Female Dispensary at Kolar and the Dispensary at Bowringpet, I have the honor to state that the subject was fully discussed by the District Board at their Meeting held on the 19th December 1908, when it was resolved that it is very necessary to provide separate suitable accommodation to the Hospital Assistants and Midwives to ensure efficiency in service, and that as the present state of Boards finance does not permit of a contribution of Rs.2,000/- in a lump-sum, the Government may be requested to grant a loan for the purpose; the same being adjusted in the course of the next and the following year.

Vide copy of Resolution on the subject herein enclosed.

2. I have therefore to request that the Government may be moved to kindly arrange for the needful buildings being erected in these two places viz., Bowringpet and Kolar. The District Board and Municipalities paying for the same in two years.

I have the honor to be,
Sir,
Your most obedient servant,

11. Read letter No 1327-34-Med. 18-07-28 dated 6th August 1908, from the Secretary to the Government of Mysore, General and Revenue Departments, on the subject of providing accommodation to Hospital Assistants and Midwives attached to the Female Dispensaries at Kolar and Bowringpet and requesting to arrange for the usual quota of contribution required there for.

The Board while fully realising the absolute necessity for providing separate accommodation for Hospital Assistants and midwives, regret that their present State of finance does not permit

permit of being Contributed in a lump Sum Rs 2000/- and therefore request that Government may be pleased to grant a loan for the said amount.

If this proposal does not meet with the approval of Government, arrangements will have to be made by making some provision in the next year's budget estimates to the extent to which funds permit.
